

ANDREW FARRELL

GAME DEVELOPER · ANIMATOR

Ontario, Canada · me@andrewjfarrell.com · andrewjfarrell.com

PROFILE

Game developer and animator with nearly 20 years of experience spanning independent game development, feature animation, and visual effects. Co-founder of Journey Bound Games, creating and shipping original games from concept through release. Previously worked as an Animation Lead and Senior Animator on major feature films, specializing in character animation, motion capture, and performance.

EXPERIENCE

Journey Bound Games / Co-Founder · Game Developer 2018–Present

Co-founded independent game studio Journey Bound Games, developing and releasing original games across PC, console, and mobile.

Path of Giants - Co-Creator · Game Developer

Co-developed Path of Giants and handled porting and platform integration for releases across Steam, Nintendo Switch, Xbox, iOS, and Android, alongside design, animation, UI, production, and release work.

Wild Ice - Co-Creator · Game Developer

Co-developed Wild Ice, an open-world tower defense adventure with a hockey twist, working across game design, programming, animation, UI, production, and release in Unity and C#.

Recorded and processed original motion-capture performances using a Rokoko Smartsuit for in-game character animation.

SCANLINE VFX / Lead Animator · Senior Animator 2014–2019 · 2021

Created character and creature animation across major feature-film productions, progressing from Senior Animator to Animation Lead.

LEAD CREDITS

Spider-Man: Far From Home

- Led a team of animators through production.
- Helped act and direct internal motion-capture sessions.
- Using a mixture of hand-keyed animation and motion capture, animated key shots that helped establish and inform the movement and performance.

The Wrong Missy · Free Guy · Shang-Chi and the Legend of the Ten Rings

ANIMATOR CREDITS

Godzilla vs. Kong · Furious 7 · Justice League · Tomb Raider · Ant-Man and the Wasp · Aquaman · Pan
